As part of the 2007 FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS in any of the following ways:

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The fee incurred in responding to your request is less than \$50 and is not being charged in accordance with 43 C.F.R. § 2.49(a)(1). You may contact the Reclamation FOIA Public Liaison, at (303) 445-3292, via mail at the above letterhead address; or via email at borfoia@usbr.gov for any issues or concerns concerning this response.

Thank you,
